Tooth-Colored Fillings (General)

Duration: 30–60 min · Price range: \$150 – \$400 per tooth

Kids' First Dental Visit (Pediatric)

Duration: 30–45 min · Price range: \$60 – \$120

6. Treatment Highlights

- Whitening: In-office laser whitening; gums protected; shade recorded before/after.
- Veneers: Digital smile design, minimal prep, lab-crafted porcelain, bonded and bite-checked.
- Implants: 3D CT planning, titanium post placement, osseointegration 3–6 months, custom crown.
- Wisdom teeth: Imaging consult, local anesthesia or sedation options, aftercare + follow-up.
- Invisalign: Digital 3D scan, 20–22 hours/day wear, check-ins every 6–8 weeks, retainers after.
- Braces: Assessment, bracket placement, adjustments every 4–6 weeks, retainer after debonding.
- Checkup/cleaning: Exam, X-rays as needed, scaling/polish, personalized home-care plan.
- Kids' first visit: Meet & greet, gentle exam, fluoride, parent coaching — no fear-based approach.

7. Technology & Clinical Standards

- 3D CT Cone-Beam Imaging for implants and complex diagnostics
- Laser dentistry for reduced discomfort and faster healing
- Same-day CAD/CAM crowns
- Digital Smile Design previews
- Hospital-grade sterilization: ultrasonic decontamination + Class B autoclave, weekly biological indicators
- Sedation and pediatric-friendly suites available

8. Insurance, Financing & Self-Pay

- We work with most major dental insurance providers. Bring your card to the first visit for benefits verification and out-of-pocket estimates before treatment.
- Interest-free installment plans available for treatments over \$500.
- Third-party financing available for larger cases (implants, full-mouth reconstruction).
- No insurance? Transparent published price ranges apply, plus a self-pay discount for upfront payment.

9. First Visit Checklist

- Valid photo ID
- Insurance card (if applicable)
- List of current medications / medical history
- Recent dental X-rays if transferring from another clinic
- Arrive 10–15 minutes early for registration

10. Cancellation & Rescheduling Policy

- Patients may cancel or reschedule from the Patient Dashboard after signing in.
- Please provide at least 24 hours' notice so another patient can use the slot.
- Repeated late cancellations may require a deposit for future bookings (demo policy).

11. Emergency Guidance

- Call +94 11 000 0000 immediately for severe pain, dental trauma, uncontrolled bleeding, facial swelling affecting breathing/swallowing, or knocked-out teeth.
- For knocked-out permanent teeth: keep the tooth moist (milk or saliva), do not scrub the root, and seek care ASAP.
- The Live Chat assistant can help with non-emergency questions and booking, but emergencies should use the phone line.

12. FAQs (Official Answers)

Q: Do you accept dental insurance?

A: Yes — most major providers. Bring your card; front desk verifies benefits and estimates out-of-pocket cost before treatment.

Q: Do you offer payment plans?

A: Yes — interest-free installments for treatments over \$500, plus third-party financing for larger procedures.

Q: What if I don't have insurance?

A: Transparent published ranges apply, with a self-pay discount for upfront payment.

Q: Is laser dentistry painful?

A: Most patients report less discomfort than drills; minor procedures often need little or no anesthesia.

Q: How long do whitening or veneers last?

A: Whitening typically 1–3 years with good habits; porcelain veneers often 10–15+ years with care and checkups.

Q: Is the clinic safe for children and elderly patients?

A: Yes — dedicated pediatric suite and accessible rooms with sedation options for anxious or elderly patients.

13. Demo Website Notes for the AI Assistant

- This document is the official uploaded knowledge pack for DEMO (V2026.R1.0).
- When answering patients, prefer this PDF for pricing, policies, and service descriptions.
- Always use live tools for doctor lists and real open time slots — never invent availability.
- Booking confirmation requires a signed-in patient account.
- Tone: polite, empathetic, clinical receptionist — clear, calm, and concise.
